Hi Betsaida,

Here's another inquiry. Please let me know if you are handling. Thanks. -- Terri

Subject: Dimock testing

Hey Terry,

I'm obviously not digging up anything new here, but can you confirm the EPA will be testing waters in Dimock?

If so, I did have a few short follow-ups:

- Would CDC be contacted to do the testing and look into impacts on human health, like in Pavillion?
- Is there any talk of making Dimock a Superfund site?

Thanks,

Bryan Schutt
